

Development: Past, Present and Future

One-day Symposium

October 25th 2012

Magdelene College, Cambridge, UK.

Join us for a special one-day symposium featuring talks from members of *Development*'s editorial board past and present, and concluding with a panel discussion on the future of developmental biology.

Speakers:

Kenneth Chien • Magdalena Götz • Peter Lawrence

Thomas Lecuit • Mike Levine • Olivier Pourquié • Jim Smith
