

# COMMUNICATING YOUR SCIENCE WORKSHOP

2-4 APRIL 2025

## TUTORS

**Prof Jonathan Pettitt** Winner of the 2020 Genetics Society JBS Haldane Lecture and Professor in Genetics, University of Aberdeen

**Prof Alison Woollard** Presenter of the 2013 Royal Institution Christmas Lectures and Professor at University of Oxford

**Helen Keen** Award winning comedy writer and performer; author of the Radio 4 series, "It Is Rocket Science!"

**First Create the Media** Led by award-winning writer and broadcaster Dr Kat Arney

This workshop brings together experts in different fields to help you explore and develop your communication skills.

Working together with others on the course, you will learn how to structure stories, bridge disciplines, simplify concepts and communicate effectively with a range of audiences. You will also get in-depth tutoring and practice in storytelling and public talks, developing hands-on demonstrations and multimedia (podcasts/Youtube).

The Genetics Society will cover travel (within the UK only), accommodation and meals for successful applicants.
